Financials

Reviewed financials. Glenn motioned to approve, 2nd by Sandy Ripley.

New Business

Club needs a secretary. Efforts to find a volunteer have received no response.

Need to pursue new people to actively support the booster club.

3 vs 3 Tourney

Dale sent out a save the date mailing and has gotten some responses. Maureen Feldt is going to update the registration forms.

Dale is trying to work with GB East Central coach (they have a 3 vs3 tourney in late Feb.)

In early January e-mails with the forms will be sent out.

Dale is working on getting ref's, etc for the tourney. He needs someone to manage the day.

Forms will be put on the website.

Someone inquired about possibly having a co-ed division. It was decided not to have that division this year but maybe next.

Plan to stripe the fields the night before.

2 new sets of goals (6'wide by 4' high) have been purchased (about \$60-\$90/set) May want to get more. 6 new futsal balls have been purchased.

We need to get permission to use the coolers and popcorn machine for concessions.

Uniforms

Girls team will get new uniforms this year. The tops must be all white (home) no piping, stripes, etc.

Weight Room Equipment

The quarterback club and other groups have contributed \$25,000 in new equipment in the weight room. Dale suggested we offer about \$2,000 in equipment. The soccer teams do use weight room some.

Dale and Chuck will do research on some equipment (such as medicine balls and flex bands) and costs and at the next meeting we will decide what or how much we want to contribute.

Field Improvements

Chuck talked to Corey about putting drains in the field. There are a couple of big puddles. Corey will check into this.

Fredrickson Trucking will be checking on the field and determining what is the best way to improve.

Other

Soccer fees – concession, coaches gift, parents night, etc. Julie had checked with parents 1 ½ years ago and many preferred to pay all at once. Having a parent meeting at beginning of season may be a good way to talk about booster club and collect fees. There was some discussion on whether to still charge concession fee. Have this issue resolved at January meeting.

Concession stand gate is up.

Winterizing concession stand: Some things appear to have been done. Gary will check on this and contact Bob Schaffer if it hasn't been completed.

Motion to adjourn made by Carol, 2nd by Julie.

Next Meeting

Wednesday, January 18 @7:00 in Kaukauna High School Community Room
