## New Business

**Jerseys for Special Events** - A deviation request was submitted to the WIAA in an effort to allow non-white jerseys for our boys & girls special events. WIAA rules state that home teams must wear all white jerseys & socks. Our request had been denied. The rule does not apply to shorts.

Gary made a motion that the booster club would cover the cost to acquire pink shorts for the Breast Cancer Awareness game, not to exceed \$400. The motion was 2nd by Ken, and Approved. Pink short have been procured and received as a cost of \$358.31.

**Field Renovations** – A couple estimate we received for the excavation work needed to level the field. An option to level the field without brining additional dirt was approximately \$43,000 (not including drain tile and new sod). Now that we have an initial estimate, the club can at least approach the school district regarding a joint effort to fix the field.

**Cookie Dough Fundraiser** - Again, the club will be holding a Cookie Dough Sale in conjunction with ECYSA. The event will start around the 3rd week of April.

**Team Activity Funds** - The coaches have expressed needs for more funds be allocated to their team's activity funds. Coaches Dale and Ashley made a motion that the funds raised, thru the cookie dough fundraiser, by each of the respective teams (boys & girls) be split equally between that team's and the booster club. In other words, half the funds raised by the boys team would go to the boys activity fund and half the funds raised by the girls team would go to the girls activity fund. The remaining funds would go to the booster club. Motion was 2nd by Doug, and Approved.

**Girls Preview** - The number of girls that came out for soccer exceeds 40, GREAT!!! Both the JV & Varsity teams will have full rosters.

Ken motioned to adjourn, 2<sup>nd</sup> by Sandie. Approved
