New Business

Breast Cancer Awareness Night - Committee has formed and the Kimberly game (now May 20th) has been selected to hold the event. Plans include: t-shirt sales, basket raffle (13), 50/50 raffle and pink balloon release. Funds raised will go to 2 families within the community currently undergoing treatment for breast cancer.

Kaukauna Invite - Volunteer schedules are be put together to assist in the hosting of the girls invite to take place April 26th & 27th.

Field Renovations – A meeting with school administrators is being planned to discuss the possibility of a joint effort between the school and the booster club. The project will need engineering support to properly design the drainage system.

Cookie Dough Fundraiser - Again, the club will be holding a Cookie Dough Sale in conjunction with ECYSA. The event will start the weekend of April 20th, orders are to be turned in by May 3rd and pickup is scheduled for May 17th in the KHS parking lot. As agreed in the previous meeting, funds raised by the boys and girls teams will be split between each team and the booster club.

Concession Stand - Cold weather continues to delays the water being turning on. A suggestion was made to look at placing heaters in each bathroom and the concession stand. With heaters and current insulation, turning the water on to support colder weather games should not be an issue. Ken B. & Glenn M. volunteered to obtain cost estimates.

Gift - Corey Baumgartner has decided to take a position with another school district starting the next school year. Dale A. made a motion to donate \$50 to a farewell gift, 2nd by Colleen S., Approved.

Officer Nomination - Nominations for booster club officers will be taken during the May meeting.

Glenn M. motioned to adjourn, 2nd by Colleen S.. Approved
