New Business

Officer Nomination – The club is still in need of a secretary.

Boys Season Update – Great numbers this year, 22 JV players and 21 Varsity players. Both teams are doing well and are very competitive.

Childhood Cancer Awareness Night – Discussed allowing the boys to purchase their t-shirts. Dale motioned, 2nd by Sandie. Approved

Jerseys for both boys and girls special events – Discussed purchasing permanent jerseys for both the boys (Childhood Cancer) and the girls (Breast Cancer) events. These would be used for multiple years and eliminate the need to have new ones each year. There are some discount jerseys that are very affordable. Will need to discuss further and may need designs approved by the WIAA.

Boys Varsity Invite – Schedules are set with plenty of helpers & volunteers.

Field Renovations – Site elevation plans have been received and submitted to the excavation company for review. This will give us the first estimates at costs. Note that the next 2 year the boy's seasons start later and allow for more time to get new sod in place.

Field Lights – several lights are out and the school needs to get them repaired.

Old Concession Trailer – Dale will follow up with the owners to see if they need it repaired prior to its return.

Gary motioned to adjourn, 2nd by All. Approved
