## New Business

### **Concession Stand:**

New procedures are working well, revenue has been very good and plenty of volunteers to thank. The new coffee pot needs to be looked at.

### **Fundraising Opportunities:**

**WIR:** Dale sent WIR a "thank you" for giving us the opportunity to run a 50/50 raffle. We hope this continues in future years.

**Calumet County Fair** – For next year, need to look at a raise. We have not seen a raise in the 12 years doing this event.

### **Scholarships:**

Scholarship committee consists of Julie & Ken Bastian, Karen Diedrick, Jelena Milanovic and hope to add one more. Doug to e-mail them the info received from the school.

### **Other:**

KHS Athletic Stadium – The coaches and administrators recently toured several facilities and were able to accumulate some good ideas. Had some very good discussion on the latest plan which includes completely separate competitive soccer field and has very good use of the concession stand facility. The entire project has been open to input from all parties.
